June 2026

Thank you

As we come to the end of another wonderful school year, we would like to thank our families for the continued support you provide to the children and to our school community. We are truly grateful for the partnership we share and for the encouragement, kindness, and trust you have shown throughout the year. Your support has played an important role in helping the children grow in confidence, develop new skills, and create many happy memories. We wish you all a safe, relaxing, and enjoyable summer, and we look forward to welcoming everyone back for another exciting year in September.

Parents in partnership

As part of our ongoing partnership with parents and our continued development as a school, we have included two survey links below. The first is to provide us with feedback about the class assemblies moving forward and the second link is a parent survey. Your feedback will help us plan for the coming school year and ensure we continue to provide meaningful experiences for our children and families. Please use the links below to share your thoughts and help shape our approach moving forward.

Juniper Class visit to the Sorting Office

Juniper Class visited the Sorting Office in Douglas as part of their literacy learning about letters, cards, and postcards. They looked at the different machines that help to sort the letters and parcels, the vans for delivery, and wrote their own postcard to send home. The children really enjoyed going on the bus to get there, seeing the different machines, and sitting in the van.

Flower Festival

Our school was delighted to take part in the Flower Festival this year. The children worked together to create a wonderful display celebrating the Manx language and our Island's heritage. Their map featured iconic Manx symbols, including Loaghtan sheep, a Manx cat, and the Steam Railway, to name just a few. It was fantastic to see the whole school working together collaboratively, demonstrating excellent teamwork, creativity, and pride in their work. The finished display was a wonderful achievement, and everyone involved should be very proud of their contribution. This is now on display in our school.

Hockey

The Year 6 children had a great afternoon learning how to play hockey, ready for High School in September. They did lots of drills and went over the basic skills before participating in a number of friendly matches against other schools. The children all worked hard, especially in the heat, and showed good sportsmanship and resilience throughout the afternoon.

School Dinners

Please find attached a provisional menu for next term. We have been asked to let you know that on Thursday 3rd September the kitchen will be serving Fish Fingers, Oven Baked Chips and Garden Peas, alongside Manx Jacket Potatoes with the usual selection of fillings

School Office

The School Office will be closed throughout the Summer Holiday and will reopen on the first day of term, Thursday 3rd September 2026.

The school day starts 8:50am and finishes at 3:15pm.
