# INTRODUCTION

SUNTERA  
GLOBAL

We provide corporate, fund and private client services across seven jurisdictions including the Isle of Man, Hong Kong, Malta, Cayman Islands, Switzerland, Jersey and the Bahamas.

Environmental, social and governance sits at the heart of our culture and we are committed to caring for our staff, the environment and the community in equal measure.

We are launching this project, in collaboration with our partners Beach Buddies and Isle Listen, in support of the global causes of climate change and mental wellbeing.

Although first being launched on the Isle of Man, we hope that this project will act as a blueprint for a group-wide initiative to be rolled out across each of our jurisdictions.

## PROJECT OVERVIEW

We are going to construct beach clean structures to live permanently in close proximity to beaches in four locations around the Island. These **'Fill A Fish'** sculptures will be similar to the above and **we are inviting your school to design them.**

We hope that the sculptures will actively encourage community participation and as a result we will see more recycling, less plastic waste and more members of our community getting out and about and keeping physically and mentally well.

- ✓ ENCOURAGE RECYCLING
- ✓ REDUCE PLASTIC WASTE
- ✓ KEEP BEACHES CLEAN
- ✓ INCREASE PHYSICAL ACTIVITY
- ✓ IMPROVE MENTAL WELLBEING

## STAFF ENGAGEMENT

At Suntera, we place our staff at the heart of everything we do. We are investing in initiatives and supporting our staff as they undertake activities in their local communities, working together to make our world a better place.

How our staff are engaged in this project:

- Fundraising to cover the costs of sculpture construction & installation
- Participating in wellbeing training via our digital training academy
- Voluntary litter picking /beach cleaning
- Supporting with school engagement

# OUR PARTNERS

"It's not enough to just stand and stare"

## BEACH BUDDIES

Beach Buddies was founded in October 2006 when two people were walking on Kirk Michael beach with their dogs. Until then no one had any idea of the scale of the environmental problem facing our Island.

Within a few weeks they had collected hundreds of bags of rubbish, some of the materials dating back as far as 30 years.

After operating on a very small scale for several years, Beach Buddies have recruited over 8,000 volunteers to help keep our beaches clean and free from plastic.

**ISLE LISTEN**

Because Minds Matter

Isle Listen is an early intervention and positive mental health charitable initiative that provides support and training in schools, the workplace and community, helping people to recognise that mental health is just as important as physical health.

Their aim is for everybody in the Isle of Man to feel emotionally empowered and effectively supported with their mental health.

**"You should define you"**

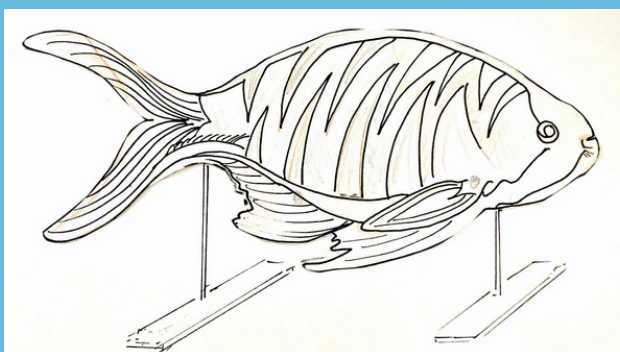

# OUR ARTISTS

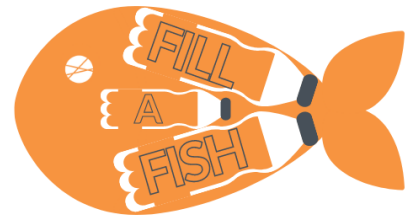

Darren and Steph from The Farmyard Studio exhibit internationally in Japan & London using Ice and Clay, metal, bronze & natural materials. They are also the makers of the original Basking

Shark, The Giant Manannan Mac Lir and Loaghtan Sheep sculptures, the Wild Life Park Elk, Southern Show Centenary Bull and When I grow up RNLI Bronze.

## YOUR DESIGN BROUGHT TO LIFE

One winning design from each of the four geographical areas will be selected by our team of judges to be brought to life. Darren and Steph will build your sculpture and it will then live permanently in close proximity to a beach that is local to your school.

## KEY DATES

**14 DECEMBER 2020**

COMPETITION LAUNCHES

**14 DECEMBER 2020-  
19 FEBRUARY 2021**

CHARITY PARTNER SCHOOL VISITS

**19 FEBRUARY 2021**

COMPETITION CLOSES

**22-26 FEBRUARY 2021**

COMPETITION JUDGING

**1 MARCH 2021**

WINNERS ANNOUNCED

**1 MARCH - 10 MAY 2021**

SCULPTURES BUILT AND WORKSHOP

VISITS ARRANGED

**W/C 24 MAY 2021**

SCULPTURES LAUNCHED

**MAY 2021 ONWARDS**

# HOW TO ENTER

1

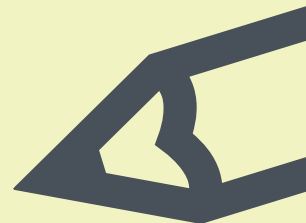

Invite our charity partners to visit your school to tell your students and staff all about the benefits of getting involved in this exciting project.

**BEACH  
BUDDIES**

2

Design your sculptures using our 'hints and tips' as a guide.

3

Read our terms & conditions and then complete an entry form.

4

Send your designs and entry form to [fillafishiom@gmail.com](mailto:fillafishiom@gmail.com) by 19th February 2021.

# HINTS & TIPS

1

Each sculpture will be made from fabricated steel with a silvery grey finish.

2

It is important to focus on creating a strong profile with interesting fin and tail shapes.

3

Each design needs to have an open mouth that is big enough for the fish to receive plastic bottles.

5

Each fish will be supported in the air and have an emptying hatch under its belly for emptying.

4

Use A4 or A3 paper and make sure you fill the page. Remember that hand-drawn submissions will need to be scanned in to submit.

Please ensure each design is clearly identified to correspond with the information you provide on the entry form.

# TERMS & CONDITIONS

This competition is open to all primary schools on the Isle of Man.

There is no limit to the number of entries submitted by each school.

Entries must be submitted via email along with a copy of the attached entry form to [fillafishiom@gmail.com](mailto:fillafishiom@gmail.com) by February 19th 2021.

Each school will only be eligible to enter the competition within their geographical zone. One winner from each zone will be chosen by our judging panel and notified during the week commencing 1st March 2021.

The winning school agrees to the use of their name and design image in any publicity material. Any personal data relating to the individual winner, or any other entrants, will be used in accordance with current data protection legislation and will not be used without the entrant's consent.

We will notify you of any unforeseen changes to the competition as soon as possible.
