

Perwick Class Distance Learning Week 3 (25.1.21)

English	Maths	Other
<p>Speaking and Listening I can use vocabulary that is appropriate to the topic being discussed or the audience that is listening. Identify the features of a newspaper report here. Complete the activity. Extend your learning by finding examples of the vocabulary journalists use, such as formal conjunctions and phrases, in newspapers at home or here. Make a note of any that might be useful.</p>	<p>Multiplication and Division <u>Green challenge:</u> I can multiply by 10 and 100 Watch the first two videos on multiplying here. Make up ten of your own numbers to multiply by 10 and 100. <u>Orange challenge:</u> I can multiply by 10, 100 and 1000. Watch the last three videos here. Make up ten of your own numbers to multiply by 10, 100 and 1000 or try some questions from here.</p>	<p>Science I can explain that salt and sugar will dissolve in water but sand won't. Watch this dissolving lesson. After you have completed the learning, demonstrate the experiment for someone else in your house.</p>
<p>Reading I read for a range of purposes and in order to support the development of vocabulary. Recap the features of a newspaper report in the lesson here. When you have finished, add to the mind map or notes you started yesterday. Extend your learning by reading some newspapers at home or here and find examples of quotes that have been used.</p>	<p>Multiplication and Division <u>Green challenge:</u> I can divide by 10 and 100 Watch the videos on dividing here. Make up ten of your own numbers to divide by 10 and 100. <u>Orange challenge:</u> I can divide by 10, 100 and 1000 Watch the videos on dividing here. Make up ten of your own numbers to divide by 10, 100 and 1000 or try some questions from here.</p>	<p>Physical I can use skills and tactics for attacking and defending Take part in this rugby challenge showing the basic skills of an invasion game. Use some of the ideas to develop your own game with attacking and defending tactics.</p>
<p>Writing I can describe characters using carefully chosen vocabulary to enhance my writing. Develop and apply new vocabulary in sentences by following the lesson here. Extend your learning by writing the new words you have learnt in some more sentences.</p>	<p>Multiplication and Division <u>Green challenge:</u> I can multiply by 1 and 0. Watch the video here. Complete the question sheet here. <u>Orange challenge:</u> I understand what a multiple is. Watch the video on 'Multiples' here. Complete the questions here.</p>	<p>History I can present my work in lots of different ways. Choose a memorable monarch from British history from this site. Create a Top Trumps card for them. Use some of these categories: <i>Year born, Year died, Age when crowned, Years on throne, Age at death, Number of wives, Number of children</i> or similar. Look here for examples. These websites will help you: DK kings and queens, Historic and British monarchy</p>
<p>Word, sentence, grammar I can punctuate dialogue correctly. Revise how to punctuate dialogue by following the lesson here. Complete the activities in the lesson. For extra practice, punctuate these sentences that have speech in them.</p>	<p>Multiplication and Division <u>Green challenge:</u> I can divide by 1 and itself. Watch the first video here. Complete the question sheet here. <u>Orange challenge:</u> I understand what factors are. Watch the video here. More help can be found by scrolling down here. Complete the challenge here.</p>	<p>Creative I can create a portrait using different drawing materials and techniques. Gather your resources to create a portrait of yourself using the ideas in this video. Display your portrait.</p>
<p>Spelling I can spell common exception words. Green challenge: Words to learn and practise can be found using this link: Orange challenge: Words to learn and practise can be found using this link: Activities and games can be found underneath the lists. Write some of your own sentences too, using the words.</p>	<p>Multiplication and Division <u>Green challenge:</u> I can multiply and divide by 3 and know the 3x table. Watch the videos here. Test yourself here. <u>Orange challenge:</u> I understand what common factors of numbers are. Watch the video on 'Common factors' here. Play the factors game from here with someone in your family.</p>	<p>6R Resilience I keep going until I find the answer to a question. Review how resilient you have been with your learning. Reflect on what challenged you this week and what helped you overcome these challenges. How did you manage to find answers? Which strategies and learning muscles did you use to keep going with learning? Think about how this might help you in future.</p>
