

Year 6 Distance Learning Wonder Of the World (WOW!) Week 2 (18.1.21)

English	Maths	Other
<p>Speaking and Listening I can refer to others' views by providing supporting evidence or counter- balancing these with own opinions. Choose one of the debate speeches from here. Write a conflicting speech focussing on the main points and ideas. Do you agree/disagree with their thoughts? Provide evidence to justify your speech.</p>	<p>Shape and measure I can use, read, write and convert between standard units. Remind yourself of the standard units of measurement by watching the videos here. Then play this game to practise ordering mass, length and capacity.</p>	<p>Science I can describe feeding relationships using food chains to show the feeding relationships within a habitat. Research food chains in different habitats by watching a variety of videos here. Choose one of the habitats here and complete the activity.</p>
<p>Reading I can consider different accounts of the same event from different viewpoints. Watch this video showing you the different perspectives of Prince Charming and the Ugly Sister discussing the same event. Using a double bubble map, compare the two perspectives. What similarities and differences did the two characters have?</p>	<p>Shape and measure I can convert measurements of length, mass, volume and time from a smaller unit of measure to a larger unit, up to 3 decimal places and vice versa. Complete this lesson on capacity, length and mass.</p>	<p>Physical I can create and perform dances to stimuli and talk about the expressive qualities of dance. Using some of the dance moves you learnt from the videos last week, create a dance using at least 4 different moves. Which song you could use? Think carefully about the beat and what you want to portray (happiness, excitement, fear etc...).</p>
<p>Writing I can describe characters to create atmosphere. Find some top tips on creating atmosphere in your writing here. Either create your own character, choose a character from a book you are currently reading or a character from a film you have watched recently. Write a few paragraphs describing your character. Use this checklist to ensure you include everything you need to create atmosphere within your writing.</p>	<p>Shape and measure I can convert measurements of length, mass, volume and time from a smaller unit of measure to a larger unit, up to 3 decimal places and vice versa. Play the Horrendous Soup game where you need to convert standard units of measure for mass, capacity and distance.</p>	<p>Geography I can describe where places are, using geographical vocabulary and features. Thinking about the wonders of the world you researched last week, choose a country which interests you. This website could be useful. Find out geographical information about your chosen country, e.g. climate, vegetation, physical features (mountains, volcanoes).</p>
<p>Word, sentence, grammar I can use commas to clarify meaning and avoid ambiguity. Watch this video then complete this activity.</p>	<p>Shape and measure I can convert between miles and kilometres. Complete this lesson on converting between miles and kilometres.</p>	<p>Creative I can express ideas in 2D and 3D - drawing, painting, collage, textiles, sculpture, photography. Using one of the artists you researched last week, design and create your own artwork. Use your imagining muscle to create a painting, collage or drawing.</p>
<p>Spelling I can review use of prefixes/suffixes to transform words. You are focussing on using prefixes de -, dis-, un-, anti-, non-, im- and in-. Here is one example for each: defer, disapprove, unusual, antifreeze, non-stop, impossible and indifferent. Can you find another example for each? Use the spelling menu to practise spelling these words. This website may be useful.</p>	<p>Shape and measure I can convert between miles and kilometres. Complete the activity sheets here and here. Work through some of the videos and information here if you need to recap.</p>	<p>Growth mindset Choose an activity from here to develop your growth mindset. Have a look at this activity grid on building resilience too.</p>
