

## Year 6 Home Learning. Week Beginning 20.07.20

English	Maths	Other
<p><b>Speaking and Listening</b> I can summarise and make notes.</p> <p>Think about the past year. Make notes on all of the important parts, how you felt and what you are looking forward to next. Write a short speech, poem or story about your final year at primary school.</p>	<p><b>Multiplication and division</b> I can multiply and divide by 10, 100 and 1000.</p> <p>Watch the video (summer term week 5, lesson 1) <a href="#">here</a>. Roll a dice to create numbers up to 1 million. Multiply and divide these numbers by 10, 100 and 1000.</p>	<p><b>Science</b> I understand how science can be found in sport.</p> <p>Start with this <a href="#">website</a>. Write an explanation text describing how science is found in cricket. Choose one of the investigation questions <a href="#">here</a> then complete it. Include a prediction and a scientific conclusion.</p>
<p><b>Reading</b> I can categorise a text into a correct genre and demonstrate the ability to identify features of the genre using evidence from the text.</p> <p>Choose your favourite fiction book. Write a review to persuade an adult or friend to read it. Include the genre, key features and what makes it an interesting read.</p>	<p><b>Multiplication and division</b> I can multiply decimals.</p> <p>Complete the lesson on BBC <a href="#">bitesize</a>. Make sure you have a go at the activities <a href="#">here</a> and <a href="#">here</a>. Watch the video (summer term week 5, lesson 2) <a href="#">here</a> for extra support.</p>	<p><b>Physical</b> I can create my own challenges.</p> <p>Choose your favourite sport or physical activity you have learnt this year. Practise playing the game and develop your own rules.</p>
<p><b>Writing</b> I can experiment with stylistic devices, e.g. Simile, metaphor, alliteration, personification.</p> <p>Choose one of the pictures from <a href="#">pobble 365</a>. Write a short story (keep it less than 500 words) using different techniques to make it interesting. Remember to use similes, metaphors, alliteration and personification. Draw a front cover for your story.</p>	<p><b>Multiplication and division</b> I can divide decimals.</p> <p>Complete the lesson on BBC <a href="#">bitesize</a>. Make sure you have a go at the activities <a href="#">here</a> and <a href="#">here</a>. Watch the video (summer term week 5, lesson 3) <a href="#">here</a> for extra support.</p>	<p><b>History</b> I can remember and order key events.</p> <p>Research key events from one of the countries you chose to write an information text about. Place these key events on a timeline.</p>
<p><b>Word, sentence, grammar</b> I can punctuate sentences correctly.</p> <p>Correct the sentences by making sure the right punctuation has been used <a href="#">here</a> and <a href="#">here</a>.</p>	<p><b>Multiplication and division</b> I can multiply and divide decimals by 10, 100 and 1000.</p> <p>Complete the lesson on BBC <a href="#">bitesize</a>. Make sure you have a go at the activities <a href="#">here</a> and <a href="#">here</a>.</p>	<p><b>Creative</b> I can express ideas in 3D. I can explain my ideas and what I want to achieve.</p> <p>Design your dream place. This could be a shopping centre, arcade, dance academy etc... Create a 3D model representing your dream place. What materials will you need? What do you need to think for your design?</p>
<p><b>Spelling</b> I can use knowledge of spelling patterns and word families.</p> <p>Create 3 words for each tricky word family; 'le' (middle), 'ctu' (fracture), 'tch' (watch), 'wr' (wrist), 'gue' (rogue) and 'mb' (comb). Put each word into a sentence. Remember to punctuate your sentences correctly!</p>	<p><b>Problem solving</b> I can solve problems using addition, subtraction, multiplication and division.</p> <p>Complete the weekly maths challenges <a href="#">here</a>.</p>	<p><b>Resilience</b> I can use a growth mindset.</p> <p>Watch the video about Leicester City <a href="#">here</a> then write a list of how you can reframe your thinking from 'unhelpful' to 'helpful'. What language should you be using? What have you found tricky that you 'stuck at' and achieved?</p>
