

## Year 5 Home Learning. Week Beginning 4.5.20

English	Maths	Other
<p><b>Speaking and Listening</b> I can prepare a speech and deliver it in an engaging way.</p> <p>Plan a speech using facts and engaging language (see science activity). If you have permission, record it and reflect on your speaking and delivery skills, or deliver to an audience and ask them to evaluate it. Use simple posters, objects, etc., to support your speech.</p>	<p><b>Decimals</b> I can add and subtract decimals.</p> <p>Find I can add and subtract decimals (Week beginning 20th April lesson 1 &amp; 2): <a href="https://whiterosemaths.com/homelearning/year-5/">https://whiterosemaths.com/homelearning/year-5/</a> Watch the video and complete the activities. You don't need to print the sheet, record your answers so that you can mark them at the end.</p>	<p><b>Science</b> I can explain why we can see different shapes of the phases of the moon and where its light comes from.</p> <p>Watch to help you understand the phases of the moon: <a href="http://www.primaryhomeworkhelp.co.uk/moon/phases.html">http://www.primaryhomeworkhelp.co.uk/moon/phases.html</a> <a href="https://www.youtube.com/watch?v=f4ZHdzl6ZW">https://www.youtube.com/watch?v=f4ZHdzl6ZW</a> Imagine you are going to deliver a report as a Newsround presenter (see S&amp;L challenge).</p>
<p><b>Reading</b> I can identify effective vocabulary and explain it.</p> <p>Using the pack below, read the poetry revision mat and answer the questions. Think about the powerful words and features used by the author for effect – why have they been chosen? <a href="https://www.twinkl.com/resource/year-5-school-closure-home-learning-resource-pack-t-e-2549914">https://www.twinkl.com/resource/year-5-school-closure-home-learning-resource-pack-t-e-2549914</a></p>	<p><b>Decimals</b> I can add decimals, crossing 1.</p> <p>Find I can add decimals crossing 1 (Week beginning 20th April lesson 3 &amp; 4): <a href="https://whiterosemaths.com/homelearning/year-5/">https://whiterosemaths.com/homelearning/year-5/</a> Watch the video and complete the activities. You don't need to print the sheet, record your answers so that you can mark them at the end.</p>	<p><b>Physical</b> I can plan activities to get my heart working harder.</p> <p>Create a circuit of activities to raise your heart rate (use Joe Wicks or your PE lessons as inspiration for your circuit)</p>
<p><b>Writing</b> I can write pieces describing settings and atmosphere that helps picture the setting....</p> <p>Watch how to write effective setting descriptions. The first five minutes are the most useful: <a href="https://www.youtube.com/watch?v=crPSJ7y0Bzo">https://www.youtube.com/watch?v=crPSJ7y0Bzo</a> Use this picture (or any other that inspires you): <a href="https://www.pobble365.com/tundra-town">https://www.pobble365.com/tundra-town</a> Plan your ideas using a bubble / mindmap. Remember 5 senses and literary features such as similes, alliteration, expanded noun phrases, 3 adjectives etc. Write a description of the setting, building up atmosphere with your language choices. Ask someone in your house to read it to get some feedback.</p>	<p><b>Decimals</b> I can add and subtract decimals with same number of decimal places.</p> <p>Find I can add and subtract decimals with same number of decimal places (Week beginning 27th April lesson 1 &amp; 2): <a href="https://whiterosemaths.com/homelearning/year-5/">https://whiterosemaths.com/homelearning/year-5/</a> Watch the video and complete the activities. You don't need to print the sheet, record your answers so that you can mark them at the end.</p>	<p><b>History</b> I can research and present my findings.</p> <p>Friday 8<sup>th</sup> May would have been a bank holiday for VE day. Find out about VE day. Why is it so special that we have a bank holiday? You may have a family member that you could speak to who remembers this day either as a child or adult. Create a poster, piece of writing, piece of art, song celebrating VE day. <a href="https://www.bbc.co.uk/newsround/48201749">https://www.bbc.co.uk/newsround/48201749</a> <a href="https://www.ashbeachprimary.co.uk/ve-day-8th-may-2020/">https://www.ashbeachprimary.co.uk/ve-day-8th-may-2020/</a> Scroll down to find PPTs and reading material.</p>

<p><b>Word, sentence, grammar</b> I can use commas to make meaning clear or mark phrases.</p> <p>Watch:<a href="https://www.youtube.com/watch?time_continue=30&amp;v=mjv5Vp7tHsU&amp;feature=emb_title">https://www.youtube.com/watch?time_continue=30&amp;v=mjv5Vp7tHsU&amp;feature=emb_title</a> Now watch this clip and complete the activity and quiz: <a href="https://www.bbc.co.uk/bitesize/topics/zvwwwxnb/articles/zc773k7">https://www.bbc.co.uk/bitesize/topics/zvwwwxnb/articles/zc773k7</a></p> <p>More quizzes here: <a href="https://www.educationquizzes.com/ks2/english/commas-01/">https://www.educationquizzes.com/ks2/english/commas-01/</a></p> <p>When you have completed the writing task, go back and see if you have used commas correctly, improve any to show you can apply learning and improve.</p>	<p><b>Decimals</b> I can add decimals with different number of decimal places.</p> <p>Here is a little tune to help you get thinking <a href="https://www.youtube.com/watch?v=n-OcbG1FIBQ">https://www.youtube.com/watch?v=n-OcbG1FIBQ</a></p> <p>Find I can add decimals with different numbers of decimal places (Week beginning 27th April lesson 3): <a href="https://whiterosemaths.com/homelearning/year-5/">https://whiterosemaths.com/homelearning/year-5/</a></p> <p>Watch the video and complete the activities. You don't need to print the sheet, record your answers so that you can mark them at the end. Find decimals around your house. Add them and show them in a bar model or part whole model.</p>	<p><b>Creative</b> I can combine materials in interesting ways.</p> <p>Make a re-useable bag by re-using materials from around your home. Customise it for you or your family. Which materials can you use? What shape are you going to try to make? How strong can you make, is it big enough to carry your favourite food from the shop?</p>
<p><b>Spelling</b> I can spell unstressed vowels in words with several syllables.</p> <p>Practise the next set of spellings from the list (family to dandelion). Look at the spelling menu for all the different ways you could practise your spellings. Touch typing is also a good way of practising your spellings, if you have access to a keyboard.</p>	<p><b>Decimals</b> I can subtract decimals with different number of decimal places.</p> <p>Find I can subtract decimals with different numbers of decimal places (Week beginning 27th April lesson 4): <a href="https://whiterosemaths.com/homelearning/year-5/">https://whiterosemaths.com/homelearning/year-5/</a></p> <p>Watch the video and complete the activities. You don't need to print the sheet, record your answers so that you can mark them at the end. More decimal activities: <a href="https://www.mathsisfun.com/adding-decimals.html">https://www.mathsisfun.com/adding-decimals.html</a> <a href="https://www.k5learning.com/free-math-worksheets/fifth-grade-5/decimals-addition-subtraction/adding-decimals-3-digit">https://www.k5learning.com/free-math-worksheets/fifth-grade-5/decimals-addition-subtraction/adding-decimals-3-digit</a></p>	<p><b>Social: Remembering</b></p> <p>Play a remembering game to help develop everyone's remembering skills: put an assortment of items on a tray, everyone tries to memorize the items. Everyone closes their eyes then one person removes a few items and players try to guess what was removed. Who can remember the most items, how many items can you remember - 10, 20 30?</p>
