

Year 5 Home Learning. Week Beginning 20.07.20

English	Maths	Other
<p>Speaking and Listening I can summarise main points and some additional detail. Follow this link and listen to Maxine Peake reading 'The Naming of Cats'. List the three types of names that cats have. What did you notice about the rhyme, rhythm and repetition in the poem?</p>	<p>Multiplication and Division I can multiply up to 3 digits by a 1-digit number using a formal written method. Follow this link to review short and long multiplication. Complete activity 1 here.</p>	<p>Science I can identify factors that affect the rate at which solids dissolve. Three factors which affect dissolving are temperature, surface area and stirring. Watch this investigation which changes the surface area of the solid that is dissolved. Design your own investigation and make a video.</p>
<p>Reading I have a secure awareness of genre and literary traditions. (Poetry) Follow this link and complete activity 2 as a poetic detective to discover different types of poetry.</p>	<p>Multiplication and Division I can multiply up to 3 digits by a 2-digit number using a formal written method. Remember your learning from yesterday and complete activity 2 here.</p>	<p>Physical I can pace myself in challenges. Have a jog around: Bronze 5 minutes, Silver 10 minutes, Gold 15 minutes.</p>
<p>Writing I can use language features to good effect. Haiku, limericks and free verse are all different types of poetry. Choose one of these poetry types to create your own poem on the theme of summer. Remember to include similes, metaphors and alliteration.</p>	<p>Multiplication and Division I can divide numbers up to 4 digits by a 1-digit number using formal written methods. Follow this link to review short division methods and complete activity 1.</p>	<p>Music I can begin to improvise and develop rhythms. Pulse is a steady beat and rhythm is a pattern of long and short sounds. Watch this clip and see if you can copy any of the ideas.</p>
<p>Word, sentence, grammar I can use similes, metaphors and personification. Review your learning of language features such as similes, metaphors, alliteration and personification. Highlight in your poem where you have used these features. Challenge yourself to improve your poem.</p>	<p>Multiplication and Division I can divide numbers up to 4 digits by a 1-digit number using formal written methods. Have a go at this interactive lesson to secure your division skills.</p>	<p>Creative I can learn about artists and styles from a range of sources. Follow these instructions to draw a Romero Britto cat. Research to find out more about this artist.</p>
<p>Spelling I can improve my spelling skills. Go to Spelling frame and choose a rule to review and consolidate your spelling skills.</p>	<p>Multiplication and Division I can divide numbers up to 4 digits by a 1-digit number using formal written methods with remainders. Follow this link to watch the videos and complete the activities.</p>	<p>6R: Reflectiveness I know how to help myself learn. Write a list of 5 things that you have done to help yourself learn this year. Share your ideas with an adult.</p>
