

Year 4 Home Learning Week Beginning 11.5.20

English	Maths	Other
<p>Speaking and Listening I am beginning to evaluate qualities of the speaker's voice that contribute to impact.</p> <p>Choose an audio story to listen to. What makes the story interesting to listen to? How could it be improved? Share your ideas with someone in your house.</p>	<p>Decimals I can divide 1 digit numbers by 10</p> <p>Click this link and close the page using the minus (-) sign in the top right-hand corner. All the weeks learning should then show up. Home Learning - Year 4 Choose White Rose Home Learning year 4 week 1, Lesson 5. Watch the video and complete the activity.</p>	<p>Science I can identify some everyday uses of thermal insulators</p> <p>Research here: thermal insulators. Make sure you understand what thermal and insulators means. Create a poster to show different uses of insulation - you could include oven gloves and thermos flasks.</p>
<p>Reading I can retell and discuss own simple interpretations of a range of texts</p> <p>Choose a fiction book to review. Include a short description of key events and who you would recommend this book for.</p>	<p>Decimals I can divide 2 digit numbers by 10</p> <p>Home Learning - Year 4 Choose White Rose Home Learning year 4 week 2, Lesson 1. Watch the related video and complete the activity sheet.</p>	<p>Physical I can create a yoga sequence on the floor.</p> <p>https://www.kidsyogastories.com/kids-yoga-poses/ Create a yoga sequence using drawings linked to your favourite film or book. Plan different stretches and movements.</p>
<p>Writing I can describe characters and settings in detail</p> <p>After watching your favourite movie, write a review to encourage other children to watch it. Think about the characters in the movie and the setting. Remember to include adjectives and adverbials to add detail.</p>	<p>Decimals I can recognise hundredths</p> <p>Home Learning - Year 4 Choose White Rose Home Learning year 4 week 2, Lesson 2. Watch the related video and complete the activity sheet.</p>	<p>Theme I can identify links between human activity and the environment.</p> <p>Using your plan from last week, build your invention to help save the environment. You could build it using Lego, toys, or most importantly, recycled materials!</p>
<p>Word, sentence, grammar I can use both simple and compound sentences with clauses joined by connectives like and, but, then, when or so.</p> <p>Read your movie review and highlight the connectives. Can you improve any of your sentences by using connectives? Write a list of all your connectives.</p>	<p>Decimals I can write hundredths as decimals</p> <p>Home Learning - Year 4 Choose White Rose Home Learning year 4 week 2, Lesson 3.
