

Year 4 Home Learning. Week Beginning 25.05.20

English	Maths	Other
<p>Speaking and Listening I can create a variety of roles in informal and more formal situations.</p> <p>Imagine you are talking on the phone to your friend, a grandparent, the police, your teacher, the Queen. Try to talk in different ways. Ask an adult to pretend to be on the other end of the phone. How does your style of talking change?</p>	<p>Decimals I can round decimals Home Learning - Year 4(Summer term week 2 Lesson 1) Watch the video and complete the activity sheet</p>	<p>Science I can carry out simple practical enquiries. I can make a series of accurate observations and measurements.</p> <p>Carry out the investigation planned last week. Record your results and observations. Write a conclusion - what did you find out? Draw and label a diagram. How could you improve your investigation?</p>
<p>Reading I can summarise key facts, say what I like and dislike about a text.</p> <p>First find out about fiction and non-fiction. Then choose a nonfiction book to review. Include a summary of the book and say what you liked or disliked about it.</p>	<p>Decimals I can recognise halves and quarters Home Learning - Year 4(Summer term week 2 Lesson 2) Watch the video and complete the activity sheet</p>	<p>Physical I can design athletic challenges for precision, speed and stamina.</p> <p>Design your own active game. Think about how many people will take part, the key rules and the resources you will require.</p>
<p>Writing I can organize my writing into a clear structure.</p> <p>Go to the story starter and continue with the story to include a middle and ending. Aim to include some dialogue and remember - new speaker, new line. Use as many different words as you can instead of said.</p>	<p>Decimals I can use decimals for pounds and pence Home Learning - Year 4(Summer term week 2 Lesson 3) Watch the video and complete the activity sheet</p>	<p>Climate Change I can identify how and why places could change.</p> <p>Read the Lesson presentation about Climate Change. Create your own news report summarising the key facts that you have learnt.</p>
<p>Word, sentence, grammar I can use speech marks when someone speaks in my story.</p> <p>Review your writing and highlight all your speech. Did you use speech marks correctly with a new speaker on a new line?</p>	<p>Decimals I can order amounts of money Home Learning - Year 4(Summer term week 2 Lesson 4) Watch the video and complete the activity sheet</p>	<p>Creative I can record ideas as sketches.</p> <p>How To Draw A Person Hugging The Earth - Earth Day Follow the step-by-step video to create a lovely drawing of a child hugging the earth.</p>
<p>Spelling I can spell and use homophones correctly.</p> <p>Look at all the homophones you have collected. Play your homophone game with someone else in your house. Now test yourself here</p>	<p>Problem Solving I can solve problems using what I know Home Learning - Year 4 (Summer term week 2 Friday Maths Challenges) Complete the Friday Maths Challenges</p>	<p>Social skills Perform your climate change news report to your family (see Climate Change). Ask for feedback on 2 things you did well and something you could work on for next time.</p>
