

## Year 4 Home Learning. Week Beginning 13.7.20

English	Maths	Other
<p><b>Speaking and Listening</b> I can present characters through dialogue to engage the audience's interest. Act out your favourite story using a range of facial expressions and drama techniques. Think about the pitch and tone of your voice when portraying characters.</p>	<p><b>Column Addition</b> I can add 4-digit numbers using the formal written method (no regrouping). <a href="#">What is column addition?</a> Watch the video to refresh your memory of column addition. Once confident, have a go at this activity - <a href="#">Column addition activity</a></p>	<p><b>Science</b> I can describe some differences between living and non-living things. <a href="#">MRS GREN</a> MRS GREN is an acronym which helps us to remember the features of living organisms. Draw a picture of MRS GREN and label the key features from the video.</p>
<p><b>Reading</b> I can evaluate the effectiveness of a text. Use your reading record to fill in one of the book reviews at the back about a book that you are reading.</p>	<p><b>Column Addition</b> I can add 4-digit numbers using the formal written method (regrouping). <a href="#">Addition with regrouping</a> Roll a dice or choose two, 4-digit numbers. Write the numbers in columns and add together.</p>	<p><b>Physical</b> I can design athletic challenges. Design your own running race. Use different objects and movements to complete the race and teach your family. Who will be the fastest?</p>
<p><b>Writing</b> I can use descriptive phrases to add detail and interest. <a href="#">What is the sun? -By Wes Magee</a> Read the poem - What is the sun? by Wes Magee. It is filled with metaphors (see below to find out what a metaphor is). Draw a picture of what the sun is compared to during the poem. E.g. 'It is a yellow beach ball kicked high into the summer sky'. Can you think of another metaphor to describe the sun?</p>	<p><b>Column Subtraction</b> I can subtract 4-digit numbers using the formal written method (no exchange). <a href="#">What is column subtraction?</a> Watch the video to refresh your memory of column subtraction. Once confident, have a go at this activity – <a href="#">Column subtraction activity</a></p>	<p><b>ICT</b> I can explain how to stay safe on the internet. <a href="#">SMART Crew</a> Join the adventures of the SMART crew to learn about how to stay safe online.</p>
<p><b>Word, sentence, grammar</b> I can use simple similes and metaphors. <a href="#">What are metaphors and similes?</a> Watch the video and compete the quiz below. Now, choose a colour. Write five similes and metaphors about the colour. E.g. Orange – Orange is energy. Like a ball of fire. As tangy as a citrus fruit.</p>	<p><b>Column Subtraction</b> I can subtract 4-digit numbers using the formal written method (exchange). <a href="#">Subtraction with exchange</a> Roll a dice or choose two, 4-digit numbers. Write the numbers in columns, subtract the smallest number from the biggest. Always make sure you put the biggest number at the top.</p>	<p><b>Creative</b> I can develop ideas using my imagination. Choose an object from around your house and bring it to life! Draw a picture of the item and use your imagination to give it features such as eyes, ears and legs etc.</p>
<p><b>Spelling</b> I can spell contractions with apostrophes. <a href="#">How to use apostrophes.</a> Watch the video and complete the quiz below.</p>	<p><b>Problem Solving</b> I can solve addition and subtraction two step problems in contexts. <a href="#">Word Problems</a> Read the word problems carefully and decide if you need to add or subtract to find the answer.</p>	<p><b>Growth Mindset</b> <a href="#">How to develop a positive mindset</a> Think of a time when you were finding something challenging. How did you become resilient and develop a positive mindset? Draw a comic strip of what happened using speech bubbles to illustrate this.</p>
