

Year 4 Home Learning Week Beginning 20.7.20

English	Maths	Other
<p>Speaking and Listening I can summarise some key points. Choose a topic that you have learnt about this year. Write down five key facts that you have found out and share them with your family.</p>	<p>Multiplication I can recall and use multiplication facts for multiplication tables up to 12x12. Multiplication Kaboom Game Follow the steps on the link to play this fun game! You can use lollypop sticks, pebbles, or strips of paper.</p>	<p>Science I can explain how diet can affect the human body. Watch the video about healthy eating. Design your own healthy meal. Help an adult make a healthy meal for your family.</p>
<p>Reading I can retell and discuss my simple interpretation of a text. Using a non-fiction book of your choice, draw a mind-map highlighting the key information and facts that you have learnt.</p>	<p>Division I can recall and use division facts for multiplication tables up to 12x12. Multiplication and division houses Follow the steps to create an interactive multiplication and division house to practise key facts.</p>	<p>Physical I can design athletic competitions for precision, speed, power and stamina. Research and design a sport for the Olympic Games. Include the rules and method of the activity. Can you teach your family?</p>
<p>Writing I can write a poem. Re-read the poem - What is the sun? -By Wes Magee . Choose a natural object/item and write a poem using similes and metaphors like the poem by Wes Magee. Themes could include - What is the rain? What is the snow? What is the earth? What is a tree?</p>	<p>Formal written layout for multiplication. I can multiply two-digit numbers by a one-digit number. Written method for multiplication Watch the video and then complete the activity sheet.</p>	<p>ICT I can present my learning in lots of different ways. Research the history of the Olympic Games. Present your information in a creative way. This could include a poster, video, PowerPoint etc.</p>
<p>Word, sentence, grammar I can use expanded noun phrases. What is an expanded noun phrase? Watch the video and complete the quiz below. Choose an object from your house. Write an expanded noun phrase about it. For example, the cuddly teddy <u>or</u> the delicious sandwich.</p>	<p>Formal written layout for multiplication. I can multiply three-digit numbers by a one-digit number. Written multiplication Watch the video and then complete the activity sheet.</p>	<p>Music I can play untuned instruments with control and rhythm. STOMP Performance STOMP is a percussion group that uses the body and ordinary objects to create a physical theatre performance. Be inspired by this group and create your own performance using items around your house, e.g. pots, pans or a brush etc.</p>
<p>Spelling I can spell contractions with apostrophes. Spellzone - apostrophes Practise spelling contractions with apostrophes.</p>	<p>Multiplying three numbers. I can multiply three numbers. Multiplying three numbers Make single digit number cards from 0-9. Turn them facing down and then choose three cards at random to multiply together. E.g. 4 x 6 x 2</p>	<p>Olympic Opening Ceremony! Plan and perform a fun and exciting Olympic Opening Ceremony. It could include dancing, music, singing and costumes! Here is a video of some of the memorable moments of the past Olympic Opening Ceremonies.</p>
