

### Year 3 Home Learning. Week Beginning 13.07.20

English	Maths	Other
<p><b>Speaking and Listening</b> I can present characters through dialogue to engage the audience's interest. Read through the <a href="#">Jack and Jill script</a>. Choose one of the characters, Jack or Jill, to read aloud. You want to try and say the words as if the character was actually saying them. Use stage directions, and punctuation to help you.</p>	<p><b>Mental Addition</b> I can add mentally Watch the <a href="#">Funky Pigeon Song</a> with mental addition and subtraction tips. Play <a href="#">Daily 10</a> on level 3, Addition, and try Three digit + ones, and Three digit + tens. Try + hundreds for an extra challenge!</p>	<p><b>Science</b> I can classify materials as magnetic and non-magnetic. Watch the BBC Bitesize clip on <a href="#">magnetic materials</a>. Complete the activities on the page, including organising the materials into groups. Can you find any magnetic materials in your home?</p>
<p><b>Reading</b> I can discuss what I liked and disliked about a text. Read the extract from <a href="#">Aliens Invaded My Talent Show</a>. Write a short book review about the extract, thinking about what you liked and didn't like about the text. Here is a link to a <a href="#">template</a> you can use.</p>	<p><b>Mental addition</b> I can subtract mentally Watch the <a href="#">Funky Pigeon Song</a> with mental addition and subtraction tips. Play <a href="#">Daily 10</a> on level 3, subtraction. Try Three digit minus ones, and tens. Try minus hundreds if you would like an extra challenge!</p>	<p><b>Physical</b> I am performing skills and actions with more quality and control. Choose one of the <a href="#">Just Dance</a> videos. Try to learn the dance as best as you can, being mindful of your actions, and trying to mirror it as closely as you can. Practise and do your best to improve your moves!</p>
<p><b>Writing</b> I can use descriptive phrases to add detail and interest. Watch the video on <a href="#">Acrostic Poems</a>. Choose a word, or name of something you like or enjoy. Try to create an acrostic poem for this, using describing words and powerful verbs to paint a picture in your reader's imagination. Here's a <a href="#">word mat</a> to help you.</p>	<p><b>Addition</b> I can use the column method to add two numbers together. Watch the video on <a href="#">column addition</a>. Have a go at the questions on <a href="#">this page</a>.</p>	<p><b>Music</b> I can produce music in different ways. Time to experiment! Try using this <a href="#">online beat meter</a> to create your own tune. Choose 'Compose your own music' and give it a go!</p>
<p><b>Word, sentence, grammar</b> I understand and can use similes and metaphors. Look at the webpage on <a href="#">BBC Bitesize</a> on Similes and Metaphors. Watch the video, try the quiz, and see what interesting examples of similes and metaphors you can come up with.</p>	<p><b>Subtraction</b> I can use the column method to subtract two numbers. Watch the video on <a href="#">column subtraction</a>. Have a go at the questions on <a href="#">this page</a>.</p>	<p><b>Creative</b> I can use the internet to research artists and ideas. Using Google, try to find out and create a small fact file about Andy Warhol. Who was he? What was he famous for? Does he have any famous works? See what else you can find out.</p>
<p><b>Spelling</b> I can spell words with the suffix 'able' Practise the words and have a go at the activities for the suffix '-able' at <a href="#">Spellzone</a>.</p>	<p><b>Addition (with regrouping)</b> I can use the column method to add two numbers together. Watch the video on <a href="#">column addition</a>, with regrouping. Have a go at the questions on <a href="#">this page</a>.</p>	<p><b>Growth Mindset</b> Write a letter to your future self. What do you think you might have achieved by this time next year? Is there anything you want to improve? Think about any questions you want to ask yourself about 2021. You could include a photo. Envelope it, and write "Open July 2021" so you can read it next year and see how much you've changed and grown.</p>
