

### Year 3 Home Learning. Week Beginning 20.07.20

English	Maths	Other
<p><b>Speaking and Listening</b>  <b>I can summarise key points.</b>            Watch an episode of <a href="#">BBC Newsround</a>.            Briefly talk to a member of your household about what you watched. Think about the most important details about the news stories, and try not to talk about every little detail: a summary should be quite short.</p>	<p><b>3, 4 and 8 times tables</b>  <b>I can recall multiplication and division facts for the 3, 4 and 8 times tables.</b>            Play <a href="#">Hit the Button</a>. Practise your 3s, 4s and 8s in times tables and division facts. Make a note of your score on your first game, and aim to beat it!</p>	<p><b>Science</b>  <b>I understand and can explore air and water resistance</b>            Watch the video on <a href="#">air and water resistance</a> and try the activity below.            Try making some of these <a href="#">paper planes</a>. Which of them is more air resistant? Why?</p>
<p><b>Reading</b>  <b>I can retell the main ideas or events whilst referring to the text.</b>            Read the poem, '<a href="#">Being Brave at Night</a>'. What happened in the poem? What is the poet talking about in this poem? How do you know?</p>	<p><b>Mental maths (Multiplication)</b>  <b>I can use mental methods to solve multiplication problems.</b>            Watch the Video <a href="#">on Using Mental Multiplication</a>.            Plan making sandwiches for your family. Choose your ingredients, and then work out how much of everything you are going to need, using your mental calculations.</p>	<p><b>Physical</b>  <b>I understand the benefits of exercise.</b>            Choose a video from <a href="#">Cosmic Kids Yoga</a>. Talk with an adult the benefits of Yoga, and ways it affects your health.</p>
<p><b>Writing</b>  <b>I can write my own poem.</b>            Watch the video on <a href="#">Acrostic Poems</a>.            Choose the name of something you care about, such as your mum, a pet, a hobby, etc.            Write an acrostic poem using your chosen word.</p>	<p><b>Mental maths (Division)</b>  <b>I can use mental methods to solve division problems.</b>            Watch the video on <a href="#">Using Mental Division</a>.            Find a collection of 20-30 objects in your house; it could be a collection of marbles, a pile of lego bricks... Try to divide up to share with each member of your household, using your mental calculations.</p>	<p><b>ICT</b>  <b>I can use software to present information.</b>            Using an App of your choice, try to create a <a href="#">get-to-know-me</a> map for your next class teacher. Include things about you that you are good at, that you enjoy and fun facts you want your teacher to know about you.</p>
<p><b>Word, sentence, grammar</b>  <b>I can use expanded noun phrases.</b>            Look at <a href="#">Alan Peat sentences</a>.            Practise using 2A sentences, making use of a variety of adjectives and correct punctuation.</p>	<p><b>Problem solving with multiplication</b>  <b>I can solve problems using multiplication knowledge.</b>            Using your multiplication knowledge, have a go at these <a href="#">world problems</a>.</p>	<p><b>Creative</b>  <b>I can use a variety of materials towards a purpose.</b>            Using household objects, try to create an outfit, costume or funky piece of clothing, using just recycled materials. E.g. making a cape from a bin bag, or ring-pulls for a bracelet.</p>
<p><b>Spelling</b>  <b>I can spell words with the suffix '-ible'</b>            Practise the words and choose activities on <a href="#">Spellzone</a> for words ending in the suffix '-ible'.</p>	<p><b>Problem solving with division</b>  <b>I can solve problems using division knowledge.</b>            Using your knowledge about division, have a go at these <a href="#">world problems</a>.</p>	<p><b>Social</b>            Take a walk with your family. Explore somewhere near your home and try to find any areas you've not seen before. Can you find any hidden nooks or paths that you hadn't noticed before?</p>
